I. PURPOSE AND SCOPE OF THE MOU

INTRODUCTION:

This Memorandum of Understanding (MOU) establishes the approach of cooperation and collaboration through the South Central Workforce Investment Board (SCWIB) and the One-Stop Delivery System partners hereafter named. The partners will use their various funding streams and resources to serve our mutual customers, both job seekers and employers, through an integrated system of service delivery operated at the West Plains comprehensive site and Poplar Bluff affiliate site. The Chair of the CLEOs for our region is the Honorable Ralph Riggs, Howell County Presiding Commissioner. The South Central Workforce Investment Board serves as the fiscal agent, One Stop Operator and service provider for the WIOA Adult, Dislocated Worker and Youth Programs.

The purpose of the Missouri Job Center is to advance the economic well-being of the local workforce development area (SCWIB) by developing and maintaining a quality workforce. The centers serve as focal points for local and regional workforce-innovation initiatives. Achieving this has required the continued delivery of high-quality and integrated workforce innovation, education, and economic development services for job seekers, incumbent workers, and employers.

This MOU supports the vision and commitment of the SCWIB and required partners to establish and maintain high-quality workforce development systems and centers that will provide programs participants the ability to move along their chosen career pathway, leading to high paying jobs in growing sectors of the economy that offer long-term opportunities for stable employment and ultimately assist businesses in Missouri to be competitive in a global economy.

STRATEGIC VISION:

- Career Pathways to Jobs of Today and Tomorrow
- Integrated Service Delivery
- Access and Opportunity for all Populations

The South Central Workforce Investment Board (SCWIB) and partners will build a system that will: • Facilitate engagement of employers in workforce development programs, including small employers and employers in in-demand industry sectors and occupations; • Support a local workforce development system that meets the needs of businesses in the local area; 4 • Better coordinate workforce development programs and economic development; • Strengthen linkages between the one-stop delivery system and unemployment insurance programs; • Promote entrepreneurial skills training and microenterprise services; and • Implement initiatives such as incumbent worker training programs, on-the-job training programs, customized training programs, industry and sector strategies, career pathways initiatives, utilization of effective business intermediaries, and other business services and strategies designed to meet the needs of regional employers .

GOALS:

WIOA Legislative Requirements Regarding Partnering

WIOA requires specific federal, state, and local employment-related programs to participate in the One-Stop delivery system if they operate in the local area. These required partners must coordinate services, sign an MOU, and share in infrastructure costs, but they retain programmatic authority and eligibility rules.

The Required One-Stop Partners (by law)

WIOA is very explicit. The following programs **MUST** be One-Stop partners if they operate in the local area.

Core Programs (non-negotiable and required everywhere)

1. Adult Program (Title I-B)
2. Dislocated Worker Program (Title I-B)
3. Youth Program (Title I-B)
4. Adult Education and Family Literacy Act (Title II)
5. Wagner-Peyser Employment Service (Title III)
6. Vocational Rehabilitation (Title IV)

Other Required Partners (if present in the area)

WIOA §121(b)(1)(B) lists these specifically by statute:

7. Career and Technical Education (Perkins V)
8. TANF employment & training programs
9. Trade Adjustment Assistance (TAA)
10. Jobs for Veterans State Grants (JVSG)
11. Unemployment Insurance (UI)
12. Senior Community Service Employment Program (SCSEP)
13. Employment & training activities under the Community Services Block Grant (CSBG)
14. Housing and Urban Development employment & training programs
15. Programs for individuals with disabilities (other than VR)
16. Programs for migrant and seasonal farmworkers
17. YouthBuild
18. Job Corps
19. Indian and Native American programs (WIOA §166)

What “Required Partner” Actually Means in Practice

WIOA does **not** say partners must:

- Co-locate staff
- Serve every customer
- Pool funding
- Change eligibility rules

WIOA **does** require that partners:

- ✓ Participate in the One-Stop delivery system
- ✓ Enter into a Memorandum of Understanding (MOU)
- ✓ Share responsibility for infrastructure costs
- ✓ Coordinate services and referrals
- ✓ Provide **access** to their programs (physical or virtual)
- ✓ Participate in continuous improvement

20 CFR §678.420 – Partner responsibilities

20 CFR §678.500–§678.515 – Infrastructure funding

Can a Required Partner Opt Out?

No

A required partner:

- **X** Cannot refuse to sign an MOU
- **X** Cannot refuse to contribute to infrastructure
- **X** Cannot be excluded by the local board

If agreement fails → State Infrastructure Funding Mechanism (SFM) is triggered.

What WIOA Does Not Say (Common Myths)

WIOA does **NOT** require:

- Equal funding contributions
- Mandatory co-location
- That every partner sit on the board
- That partners lose program autonomy
